OFFICE OF PETITIONS

In re Application of

Yves Barbarie

Application No. 09/507,700

Filed: 22 February, 2000

For: AEROSTAT FOR TRANSPORTING

EQUIPMENT AND PASSENGERS

ON PETITION

This letter is in response to the communication filed on 17 September and supplemented on 5 December, 2002, styled as a petition under 37 CFR 1.137(b) to revive the above-identified application. In the absence of the proper petition fee, this communication is being treated as a petition under 37 CFR 1.181 to withdraw the holding of abandonment.¹

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.137(b)." This is not a final agency decision.

The application became abandoned on 18 June, 2000, for failure to file a timely reply to the Notice to File Missing Parts of Nonprovisional Application mailed on 17 April, 2000, which set a two (2) month shortened period for reply. On 16 June, 2000, petitioner attempted to file an extension of time in accordance with 37 CFR 1.136(a), but no fee was received with that request. Notice of Abandonment was mailed on 7 August, 2002.

 $^{^{1}}$ In the absence of the petition fee, which is required by law, the PTO can only treat the instant petition as a (feeless 1.181) petition to withdraw the holding of abandonment. See Krahn v. Comm'r, 15 USPQ2d 1823, 1825 (E.D. Va. 1990).

On 22 October, 2002, the USPTO received \$629.00. A total of \$410.00 for the statutory basic filing fee and surcharge for its late filing is due, and \$650.00 is due for the petition fee under 37 CFR 1.137(b). Therefore, a deficiency of \$431.00 is due for consideration of a petition under 37 CFR 1.137(b). In the absence of the petition fee, which is required by law, the PTO can only treat the instant petition as a (feeless 1.181) petition to withdraw the holding of abandonment. The PTO will not reach the merits of any petition under 37 CFR 1.137 lacking the requisite petition fee. As petitioner has not alleged circumstances which would warrant the withdrawal of the holding of abandonment, the petition will be dismissed.

As the papers filed on 17 September and 5 December, 2002, do not contain a proper statement of unintentional delay, it is recommended that petitioner use the attached USPTO form when filing a renewed petition under 37 CFR 1.137(b).
